"THE GLORY OF FLORIDA"

The Sunset Chapter will present "The Glory of Florida" on October 2nd at the Masonic Hall in St. Petersburg.

Closing time for entries will be 10:30 a.m. local and 11:00 a.m. for out of town entrants. Judging will begin at 11:15 a.m.

There will be classes for (1) Amateur, (c) Commercial, (3) Collectors, (4) Miniatures and (5) Seedling. Collectors are those with more than 35 entries in the amateur group. Tri-colors will be awarded in all classes for single, semi-double and double. Sweepstakes awards will be made in amateur, commercial and collector classes. Trophies will be awarded for the best amateur and commercial bloom.

Officials have asked that no refrigerated bloom be entered, the only exception being in the seedling class. Blooming plants will also be accepted in the seedling class only.

A cordial invitation is issued to any and all hibiscus growers to enter bloom or to come see the show.

The chapter hopes that by adding the collectors class those people who have large collections will participate in the exciting competition. It should give the growers who have only a few plants a chance to win a sweepstakes award. This is a new idea and should be interesting.
